SECTIONALS, STATE, AND REGIONALS

We will have seven/eight regular season swim meets. All members of the swim team are eligible to swim in any and all of these swim meets as long as the swimmer makes it to 2 of 3 practices the week prior. We would like to see all swimmers swim in all the home meets; however that is not a requirement. In fact, we do not require swimmers to swim in any swim meets. Remember though, in order to compete in the Northeast Sectional Meet, a swimmer is required to swim in at least three regular season meets. This requirement is made by the State Rules Committee and is not negotiable.

At the Northeast Sectional meet, the swimmer will try to qualify for the State Championship Meet. A swimmer may only qualify for the State meet at the Sectional meet. Sectional swimmers qualify for state in one of two ways; place first in an event or swim a time better than the qualifying time set by the Iowa State Rules Committee.

The Midwest Regional swim meet is also a qualification only swim meet. This meet is a YMCA swim meet. A swimmer may qualify for this swim meet at any meet or at Sectionals.
