DUBUQUE COMMUNITY YMCA/YWCA REACHES CAMPAIGN MILESTONE

[DUBUQUE, IOWA] (April 6, 2018)— The Dubuque Community YMCA/YWCA announced a major milestone in its capital campaign, ***Building for the Future, A "Y" for All***.

"We are thrilled to announce that 100% of board of directors has made a financial commitment to the campaign," said Wendy Knight, Board President. "Successful campaigns happen because of passionate and committed people. I have the pleasure to work with a board that is passionate and committed to the mission of the Y. We are leading the charge in our community, owning and spearheading the work of this wonderful organization."

This milestone is significant in moving the campaign forward to the solicitation phase, where Dubuque Y and community leaders are meeting with companies, individuals, and foundations to secure their financial support for the project. Showing potential investors that 100% of the board is supporting the project financially exhibits the deep and broad-based commitment to the project.

The ***Building for the Future Campaign*** is a comprehensive plan to build a new 70,000 square foot state-of-the-art facility at the current location on North Booth Street. The facility will serve as a central location for the YMCA/YWCA's programs focused on youth development, healthy living, social responsibility, eliminating racism and empowering women.
