All campers will follow the same camp schedule listed on page 2. Those enrolled in Horse Camp Adventure training will break off for 2.5 hours of training daily. See the schedule on page 2 for the remainder of the day. All horse campers must wear jeans. Campers must wear either old tennis shoes or boots. All campers should bring a water bottle. See page 2. **Each session costs \$239 member*/\$269 non-member plus a one time \$25 registration fee.** ***Must have a 1 or 2 adult household membership for member rate.**

BEGINNER

The beginner level is for children with little or no riding experience. Campers are taught grooming, riding skills in the arena, basic horse anatomy and saddle parts. This level is crucial to the progression of horse camp.

INTERMEDIATE

The intermediate level is for children who have passed the beginner level, have had previous riding lessons and/or wrangler approval. Campers will be responsible for saddling and grooming their own horse, ring-riding skills will be reviewed and trail-riding skills (weather permitting) will be learned. Children signing up for this level must be comfortable on and around horses.

ADVANCED

Campers signing up for this level must have passed the intermediate level and/or wrangler approval. Participants will be responsible for all aspects of caring for their horse including rounding up, feeding, grooming and saddling. Students will spend time on advanced riding skills, trail riding (weather permitting), and program related games.

HORSE CAMP PERFORMANCE

Horse Camp parents are invited to view a demonstration of skills learned, beginning at 4:00PM on Friday. Come to the barn area and bring a lawn chair or two. The demonstration will last about 45 minutes - 1 hour.
