Barre Pilates	This workout combines ballet-inspired moves with elements of Pilates, dance, yoga and strength training.
BodyPump	Fun, energizing barbell program that will improve general fitness, as well as, shape and tone muscles.
Bootcamp	Take your cardio workout to the next level by incorporating full body moves that promote endurance, strength, and stamina.
Cycling	Jump on a bike and pedal your way to a great cardio workout that promotes strength and endurance.
Deep Water Aerobics	A no-impact class that utilizes belts and noodles for stabilization in deep water. Floatation belts provided but not required.
Insanity	This total body workout that requires no equipment. Using interval training, you exercise at a very intense pace for a short period of time, and then rest for longer period of time in between circuits.
Pilates & More	This mat class is a series of floor exercises designed to realign and strength your body while concentrating on your abdominal muscles and core.
Tabata Cycle	This cycling workout consist of interval training to push your endurance and cardio exercise to the next level.
Warm Water Aerobics	This low impact water fitness class is designed for those limited joint motions, strength, or cardio-respiratory function.
Water Bootcamp	A high intense deep water exercise workout, works on strength, endurance and mobility.
Yoga	Method of learning that combines posture, breathing, and focus to promote strength, flexibility, stamina, balance, and deep relaxation of the mind and body.
Zumba	Fun Latin rhythms and easy to follow moves will tone, sculpt, and melt away stress while leaving you feeling energized.
Zumba Toning	Take your Zumba workout to the next level, by including Zumba Toning Sticks to add resistance and increase strength movements through the workout.
